## **THE PREDATORY LENDING DEMONSTRATION**

The NAACP, in conjunction with Rainbow PUSH and the National Urban League, will sponsor a demonstration on Wall Street to call attention to, and to protest the continuing economic devastation caused by major financial institutions' predatory lending practices and sub-prime lending tactics. This has caused a dramatic disparate impact on Black communities and communities of color. The demonstration will take place on Wall Street since it is the heart of the American financial industry.

**The demonstration is planned for 12:00 noon to 2:00 PM on  
Monday, December 10, 2007,  
Wall Street, New York City.**

### **MOBILIZATION PLAN**

6:30 AM**
