A Place to Call Home

Help The Friends of Project COPE renovate the former Ann Carroll Nursing Home located at 66 Johnson Street in Lynn!

After a great deal of planning, Project COPE has developed architectural drawings of the new space and a cost estimate of approximately \$600,000. The Friends of Project COPE have received a mortgage for \$325,000 from St. Jean's Credit Union, but will need to raise the additional funds. Your support will help Project COPE reshape the lives of women in recovery and their families as well as support the revitalization of a neighborhood in Lynn! When completed, the Women's Residential Program will have a new place to call home.
